Football

Come and try out for one of the college's football teams. Last year we had only 1 men's football team, this year however we are hoping to have 2 men's football teams and 1 women's football team. You will be helped in the development of your skills by a UEFA 'B' licence coach and will play regular fixtures against other colleges in our newly formed league. This is specifically for 16 – 19 year olds. To participate in the college football you are required to have Shin pads and football boots.
