

# GCSE Results

## Are you receiving your GCSE results in August?

Read on for help and advice available from Great Yarmouth College

Receiving your exams results can be a stressful time if you do not receive the grades you expect. You need to remember that any decisions you make at this time need to be well researched, without rushing into anything.

Whether your results are better or worse than you expected, there will be lots of options available to you, please think carefully about what you want to do, and seek advice if you need it.

At Great Yarmouth College, guidance staff will be available during, and after, GCSE results day for you to pop in and speak to if you would like to talk about your plans. You will be able to sit down with a member of staff and discuss your options and ideas, and look at the opportunities available to you.

If preferred an appointment can be made in advance by calling 01493 419290/ 07880972706 or contacting us as at [guidanceandsupport@gyc.ac.uk](mailto:guidanceandsupport@gyc.ac.uk). Please note your parents/guardian or a friend are welcome to come along. For details of all the learning opportunities available at Great Yarmouth College, please see [www.gyc.ac.uk](http://www.gyc.ac.uk).

Finally, remember to keep calm and consider all your options before you make a decision.

**Good luck with your plans!**
